# STEELE'S SHREWSBURY NURSERIES

# **FOREWORD**

NURSERIES being devoted entirely to the culture of hardy ornamental stock of quality consistent with the demands of the high-class retail trade to which we cater, we are in a position to offer to the TRADE a surplus of carefully grown trees and plants at prices reasonably low, in comparison with the quality offered.

Our stock is allowed plenty of growing space, is frequently transplanted and receives careful attention in trimming and training to produce plants of quality to please the most exacting.
